Concerns—Miller and Johns to Be
Tried in Cincinnati

Washington, May 27.—United States Marshal Henry C. Pettit at Rockville Ind. has notified the postoffice department of the arrest of Joseph M. Johns the man charged with conspiracy in the alleged bribery of Daniel V. Miller Johns will be tried with Miller at Cincinnati. Their cases will be presented to the federal grand jury which meets there Oct. 6. According to evidence in possession of the postal authorities Johns received \$4,500 as a result of the decision of Acting Assistant Attorney General Christmaney that the Ryan Turf Investment company was entitled to the use of the mails. Miller was an assistant of Christmaney. The authorities here say that Johns was not an attorney of the Ryan concern but has been a life long friend and political associate of Miller. The exact division of the \$4,500 is not known. Miller was in conference with Assistant Attorney General Robb who closely questioned him regarding the case. The case of the Ryan concern which was responsible for the first Chicago gain, the mail of the assistant attorney general and Johns despite the adverse report of postoffice inspectors secured a favorable decision from the office is still under investigation.

The checks which figure in the alleged payments to Miller and Johns which are in the possession of the department are for \$3,400. They were supplemented with a cash payment of \$1,100. The checks are signed by the Ryan concern and made out to Johns order and endorsed by him. Ryan has agreed to be a witness for the government. He has furnished the department with all the information in his possession including the documents. Miller has left for Terre Haute Ind.

While the department cannot guarantee Ryan immunity it will not his service in the state's evidence in the best light before the court. Miller had charge of the investigation of the Ryan case and prepared the letter which constituted the decision of the department allowed the concern to use the mails and was signed Dec. 16. The decision in the Ryan case which served as a precedent and whose language it followed was signed by Assistant Attorney General Tynes Dec. 4.

250TH ANNIVERSARY

Of Establishment of Municipal Government in New York City.

WHOLE CITY DAILY DECORATED

General Wilson Delivers Address of the Day and is Followed by Secretary of War Root—Other Prominent Men Speak.

New York, May 27.—New York officially commemorated the 250th anniversary of the establishment of municipal government in New Amsterdam, afterwards called by force and treaty by Holland and England, New York. The whole city was gay with bunting. The city hall, where the main exercises were held, and city hall park were the center of attraction the decorations there being especially elaborate. In the public schools half a million children took part in special patriotic exercises.

Mayor Low presided over the ceremonies at the city hall. The invocation was pronounced by the Rev. Cornelius L. Wells, pastor of the Dutch Reformed church of Flatbush, the oldest church of that denomination here. Mayor Low delivered a brief address, referring especially to the city's marvelous growth and the open handed charity of the people.

"Our special pride," said he, "is that we are an American city and our chief ambition is to show how the greatest American city can best serve the world."

General James Grant Wilson, of the New York Historical society, delivered the oration of the day and was followed by Elihu Root, secretary of war, who prefaced his remarks with a letter from President Roosevelt.

ELIHU ROOT.

After expressing his regrets at his inability to be present, the president wrote:

"The changes in New York city during the 250 years which have just elapsed are such as could be paralleled nowhere else in the world. We now have in New York the second largest city of the world, and it is no idle compliment to you and those associated with you, Mr. Mayor, for me to say that there is no other city here or abroad of whose governing officials its people have more just reason to feel proud."

In his address Secretary Root said: "The people of the city are able to show their capacity to govern themselves—slaves to no ruler and to no party. The men who 250 years ago founded this municipal government were sound and wholesome men, and their spirit of freedom, of toleration, of civic pride and good citizenship survives permeating the whole increasing mass of the great metropolis. I am proud to come back from the councils of the nation to my own home; proud to be a citizen of New York."

Addresses were also made by Governor Odell, Judge John Clinton Gray, of the state court of appeals; the Rev. H. Pereira Mendes, rabbi of Congregation Shearith Israel, and Bishop Henry C. Potter, of the Protestant Episcopal diocese of New York. The Right Rev. John M. Farley, archbishop of New York, pronounced the benediction.

STORMS IN NEBRASKA

Wind and Rain Leave Trail of Death and Destruction.

EVERY HOUSE WRECKED IN DAVEY

Many Narrow Escapes—People Find Refuge in Cellars—Seven Distinct Tornadoes Reported to Weather Bureau—Wires Down.

Omaha, May 27.—Eastern Nebraska was visited by another series of storms, several of which developed into tornadoes. One visited Hastings near the scene of Sunday's heavy storms, and blew several buildings to splinters.

Another struck Herman, 25 miles north of Omaha, and the scene of a tornado five weeks ago, which killed a dozen people. The home of D. R. Parish was demolished and Mr. Parish, his wife and a child were seriously hurt.

Omaha also experienced a storm which blew several houses from their foundations and unroofed others in the southwest part of the city.

Accompanying the severe wind in every instance was a rain storm of unusual severity, and as a result several towns in Eastern Nebraska are flooded, Springfield, Papillion and Plattsmouth reporting the worst conditions. At Plattsmouth two feet of water stood in the Burlington station and covered several streets.

Railroad Bridges Carried Away.

The railroads have suffered wash outs in a score of places, and several bridges have been carried away or badly damaged. The financial loss has been heavy and estimates place it at several hundred thousand dollars.

One of the most severe storms was at Davey, a small town northwest of Lincoln, which resulted in the injury of 13 persons, none fatally. Several persons, however, sustained broken limbs. The report received from there states that every dwelling and outbuilding in the town was wrecked.

The storm in Lincoln did great damage in that city, the loss on buildings being estimated at \$61,000. It moved northwest and split. The portion that struck Davey was seen approaching by the people of that town, most of whom were able to seek safety in cellars. A deluge of rain accompanied the wind and flooded the little town, which was strewn with the debris of wrecked homes, furniture and dead animals.

In Past Lincoln many dwellings were unroofed or moved from their foundations and two large factories and an elevator were nearly demolished.

Floods at Springfield.

The flood was disastrous at Springfield and six families barely escaped drowning. Seven dwellings were carried away by the water. The business portion of the town was recently burned and many new buildings were in course of erection. All were demolished by the wind.

A number of other towns, including Raymond, Blair, Valparaiso, Beaver Crossing, Ashland and Fremont received more or less damage.

The telegraph and telephone service was paralyzed. There was not a wire between Omaha and Lincoln until noon, and the service is only partially restored.

Poles were blown down for half a mile on one stretch.

To the local weather bureau during the past 24 hours seven distinct tornadoes have been reported, various in severity. Rain continued the greater part of the day and night. The country is soaked and railroad traffic is badly hampered by soft tracks in many localities.

The Storm in Iowa.

Des Moines, May 27.—Iowa has been stormwrecked for the past 24 hours. Three tornadoes, two Monday night and one Tuesday, resulted in the loss of six lives, the fatal injury of three persons and the serious injury of a score of people, besides great property loss.

The dead at Glenwood: Maggie Bletiner, aged 11, and Hazel Wright, aged 10, of Adair, Ia.

Near Buxton: Georgia Buckley and Herbert Rhodes.

At South Des Moines: Russell A. Knauf, aged 30, and Floyd Knauf, his 8-month-old son.

The victims at Glenwood were all inmates of the school for the feeble-minded.

Nine Killed at Elmo.

Blanchard, May 27.—A most destructive and fatal tornado struck the town of Elmo, Mo., eight miles south of Blanchard and just across the Missouri state line. Nine persons were killed outright and five were injured. The dead: C. C. Calhoun, Cashius Bell, J. J. Alvis, Leonard Bradley, Milton Huff, Oren Strangler, D. L. Starke, George O. Perry.

Bridge for Detroit River.

Ottawa, May 27.—At a meeting of the railway committee a bill to incorporate the Pere Marquette International Bridge company was passed. This is for a bridge across the Detroit river near Amherstburg. The capital stock of the company is placed at \$800,000.

KNIGHTS TEMPLARS.

Golden Conclave of Grand Commandery Opens at Philadelphia.

REPORTS OF GRAND OFFICERS.

Grand Commandery of Pennsylvania is the Largest in the World, with a Strength of 14,896 Members at the Present Time.

Philadelphia, May 27.—A splendid parade of plumed knights, one of the best of its kind ever seen here, ushered in the semi-centennial convocation of the grand commandery of Knights Templar of Pennsylvania.

The golden convocation of the grand commandery was opened in Masonic temple with all the ancient usages of the fraternity. The grand commandery, composed of all the past and present officers of all the Pennsylvania commanderies, was well represented and among those present by invitation were the grand commanders and staffs of the jurisdictions of New York, New Jersey, Delaware and Maryland. Grand Commander Bartlett, of this city, presided.

Just prior to the opening of the grand commandery in official session Mayor Weaver, himself a Mason, but not a Knight Templar, officially welcomed the visiting knights to the city. Past Grand Commander George S. Graham, of this city, responded on behalf of the grand commandery.

The reports of the grand officers were presented and referred to the proper committees. The report of the grand recorder showed that the grand commandery was not only the largest in the world, but was in an exceedingly good condition. The strength of the order in Pennsylvania at this time is 14,896 as against 13,950 one year ago.

A brilliant reception was tendered by the Philadelphia commanderies to the grand commandery and visiting knights and ladies at the National Export exposition in the evening. All knights appeared in full uniform without swords. Simultaneously with this a special concert and reception was given in Horticultural hall.

TEDDY WISHES ENDORSEMENT

Of Republican State Convention and Senator Hanna Will Offer No Opposition.

Cleveland, May 27.—Senator Hanna has decided to offer no further opposition to a proposed resolution in the coming Republican state convention endorsing the candidacy of President Roosevelt for another term. Senator Hanna makes the following statement:

"I am in receipt of a telegram from President Roosevelt which indicates to me his desire to have the endorsement of the Ohio Republican state convention of his administration and candidacy. In view of this I shall not oppose such action by the convention and I have telegraphed the president to that effect."

Senator Hanna positively declined to further discuss the subject, insisting that the brief statement fully covers the situation.

It is the general belief, however, among those close to the senator that he still doubts the advisability of the adoption of a resolution endorsing President Roosevelt's candidacy by this year's convention. But, it is pointed out, that, in deferring to the president's judgment and expressed wishes Mr. Hanna demonstrates that his original position in the matter was at no time prompted by personal antagonism to President Roosevelt.

Pennsylvania's Mail Stopped.

Washington, May 27.—Postmaster General Payne signed an order forbidding the delivery of mail and the payment of money orders to William C. Liller and William C. Liller, adjutant general, of Lancaster, Pa. According to the postmaster general, Liller represents himself to be the duly elected and qualified adjutant general of the Spanish-American war veterans. The order is an echo of the factional controversy in the ranks of the Spanish war veterans that gained wide publicity months ago.

WHITE AND JETT IN SAME JAIL

Guarded by Militia—More Troops May Be Ordered to Jackson.

Jackson, Ky., May 27.—The capture of Tom White and the return of Curtis Jett to Breathitt county were the events on which chief interest focused. The question of whether more troops are needed is agitating the minds of many. While nothing has occurred to arouse apprehension there have been suggestions that do not make all feel secure. The authorities feel that if more troops shall be needed they will be badly needed and that any emergency will be abrupt.

Tom White was arrested at the home of his mother, 15 miles from here, at daylight by a squad of soldiers under Deputy Sheriff Little, who made the arrest. The house was surrounded and White called out. When he reached the fence the warrant was read, and accompanied by soldiers he returned to the house and dressed. At the advice of his attorney, Judge John Noble, he declined to make a statement.

Elisor B. J. Little and 12 soldiers went to Winchester and the order for Jett was honored by Judge Benton. He was placed in irons and arrived here and was committed to jail. He has employed B. F. French, of Winchester, for counsel. An effort will be made by his attorney to get a change of venue. If this fails he will endeavor to have the jury summoned from outside of Breathitt county.

Judge Redwine issued an order placing the jail under militia control and Jailer Spencer turned over the keys to Colonel Williams. Jett and White were not allowed to converse with one another and occupy separate cells. White's attorney was denied the privilege of talking with Jett.

BOY FUGITIVE LANDED IN JAIL

Attempts to Murder Mother for Giving Testimony Against Him—Escaped from Reform School.

Cameron, W. Va., May 27.—Frank Marshall was brought to Moundsville and confined in the jail to await the action of the grand jury on the charge of attempting to kill his mother. Marshall is not yet 18 years of age and has a bad criminal record.

Marshall is an escaped inmate of the reform school at Pruntytown. He was sent there two years ago from Benwood for the same charge he is now held for—attempting to cut his mother's throat with a razor because she reproved him in some manner. He turned up at his home and decided to avenge himself upon his mother for her testimony against him when he was convicted previously. He watched his chance and drew a revolver and fired several times at his mother, but neither shot took effect, and before he could reload his gun the neighbors had become aroused by Mrs. Marshall's cries and hurried to her assistance.

Flood Situation at Salina.

Salina, Kan., May 27.—This city is the scene of the worst flood in its history. Fully 100 families have been driven from their homes and the extent of the damage is estimated at hundreds of thousands of dollars. Another rain has fallen, making four inches of rain within the last 24 hours. The northwestern portion of the city is entirely submerged and women and children were rescued from their homes in boats. The Missouri Pacific grade on the west is holding back a large and threatening body of water. If the water shall cross the tracks the entire western portion of the town will be under water. A passenger train on the Lincoln branch of the Union Pacific is held between two washouts two miles north of here. The passengers were brought here on handcars. As far as the eye can reach the wheat fields have been transformed into a great lake. Crops are ruined and homes deserted.

Will Manufacture Mosaic Work.

Wheeling, May 27.—The perfection of the American Mosaic Brick and Tile company was accomplished at a meeting here, with Eugene Kelly, Detroit, president; Paul McCoy, Fairmont, treasurer; and L. W. Harg, Jackson, Mich., secretary, present. The authorized capital stock will be \$500,000. The scheme of the company is to locate plants all over the United States. Mr. Kelly states that the company will construct their first plant in Wheeling. The process is a chemical one and it is necessary to have a kind of sand found only in Michigan to make them.

President Encounters Bad Weather.

Spokane, May 27.—President Roosevelt doubled back into Washington from the Coeur d'Alene mining camps of Northern Idaho. The party encountered inclement weather in the mining towns. The greatest crowds ever gathered in Spokane greeted the president. After a long drive through the city the president spoke to the people of Spokane and surrounding country. The president's train left in the evening for Montana.

Plugged Keyhole and Turned on Gas.

Wheeling, May 27.—Jim Horner, of Ravenswood, was asphyxiated at the Park hotel. The victim was a young man from the farm. The keyhole of the door was carefully plugged with a handkerchief.

Missing Cashier Indicted.

Hartford, Conn., May 27.—Oliver T. Sherwood, the missing cashier of the Southport National bank, who is said to be a defaulter for more than \$100,000, was indicted on the charge of embezzlement.
